

Willard Church of God

Pastor Greg and Rene Griffith

Greetings in Christ Jesus,

Recently, I hosted Jim Barbarossa and his ministry on the Shofar

The morning of his visit produced one of the most interesting services I have ever been apart of. As he and his wife taught about the Shofar and demonstrated the praise dance, the presence of God filled our building. The active participation of praise from my congregation was awe inspiring. The touch of God was precious that morning.

During their visit I expected just a ministry on the Shofar. What I found was so much more. I found an anointed couple who love the Lord. I also found a couple who love to witness the love of Jesus to everyone they meet (I really do mean everyone, in and out of church). Their love of witnessing sets the Barbarossa's apart from other ministries.

I have invited them back to assist my congregation in defining their testimonies and training them on how to witness to others.

Meeting the Barbarossa's has truly been a pleasure. I have found their ministry to be fresh, anointed and multifaceted.

I am sure their ministry will be a blessing to you and I know God will bless you as you open your hearts to them.

Respectfully

Pastor Greg Griffith
